FCCF Mission

The Fighting Children's Cancer Foundation provides needs-based financial assistance to families struggling with pediatric cancer. Committed to supporting these families in their efforts to improve their children's quality of life, FCCF also strives to educate others about the challenges faced by families living with cancer and to generate additional support for their benefit.

The Executive Board of Directors and Advisory Board consists of individuals from the public and private business community who are dedicated to the cause and are willing to actively promote the Foundation. The Boards and Executive Staff are committed to creating and maintaining a Foundation that will make a positive impact in the lives of children and their families.

Behind every child with cancer is a family that needs help. The FCCF believes that the support that we provide goes hand in hand with finding a cure for childhood cancer. We can't do it alone. We need your help. Your support is greatly appreciated.
